Re: Rate Commission Membership

Dear Board Members:

I have been informed by Mr. Willard Reeves that The Human Development Corporation of Metropolitan St. Louis' membership on the Metropolitan St. Louis Sewer Department Rate Commission is scheduled to expire in January, 2011. Please accept this letter as our indication that we are interested in remaining on the MSD Rate Commission.

The Human Development Corporation's mission is to work within the community with compassion and dignity by providing leadership and opportunities that will enable disadvantaged individuals and families to reach their full potential. We look forward to hearing from you regarding our continued membership with the MSD Commission.

Sincerely,

A handwritten signature in black ink, appearing to read "Ruth A. Smith", written over a large, stylized flourish.
