RE: MSD Rate Commission

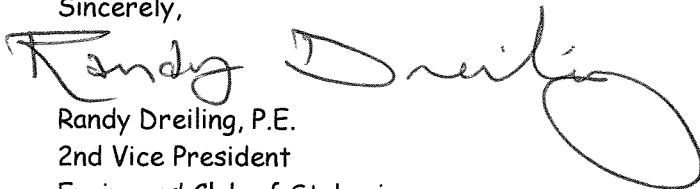

Dear Ms. Bell:

I have been informed by our current Rate Commission representative, Mr. George Tomazi, that the term of the Engineers' Club of St. Louis on the MSD Rate Commission is due to expire on January 31, 2009. We believe that our participation on the Rate Commission has been beneficial to the Metropolitan St. Louis Sewer District and would like to be considered for a seat on the next Rate Commission.

The Engineers' Club of St. Louis originally requested to be on the Rate Commission representing the American Society of Civil Engineers, the Missouri Society of Professional Engineers, and the Engineers' Club of St. Louis. We believe that it is beneficial to have a representative with an engineering perspective on the MSD Rate Commission. Mr. Tomazi has agreed to serve on the Rate Commission if our organization is selected for the next term. We believe that Mr. Tomazi would be an asset to the Rate Commission.

Please contact me at 314-729-7600 if you need additional information. Our organization looks forward to continued participation on the MSD Rate Commission.

Sincerely,

Randy Dreiling, P.E.  
2nd Vice President  
Engineers' Club of St. Louis

Cc: Kurt Krispin  
George Tomazi

**Subject:** Engineers' Club of St. Louis, RE: MSD Rate Commission

Dear Ms. Bell,

The Engineers' Club of St. Louis would like to remain on the MSD Rate Commission for another term. Mr. George Tomazi is our current representative on the Rate Commission, and he has agreed to represent our organization for another term. I will send a letter confirming our intent to remain on the Rate Commission. Please let me know if you need additional information.

Sincerely,

Randy Dreiling, P.E., S.E.  
Second Vice-President  
Engineers' Club of St. Louis
