

AGCST.LOUIS

December 1, 2008

MSD Rate Commission
c/o MSD Board of Trustees
2350 Market Street
St. Louis, Missouri 63103

To Whom It May Concern;

The Associated General Contractors of St. Louis wishes to make application for one of the open positions on the MSD Rate Commission.

In the past, this Rate Commission position was held jointly with AGC of St. Louis and the SITE Improvement Association. Since there is a last minute change in the status of the application for the two groups, I respectfully ask that the December 1 application deadline be extended by one week for any application that may be forthcoming from the SITE Improvement Association. It is the opinion of AGC of St. Louis that multiple representations from the commercial construction community would enhance the effectiveness of the Rate Commission process.

The Associated General Contractors of St. Louis represents over 450 commercial construction related firms in the MSD service area. We look forward to a favorable reply to our continuing service on the MSD Rate Commission.

A handwritten signature in cursive script, appearing to read "Leonard Toenjes".

Leonard Toenjes
President
AGC of St. Louis
