

METROPOLITAN ST. LOUIS SEWER DISTRICT (MSD)					
	Proposed Compliance Charge				
	Preliminary List - June 2011				
MSD is proposing a tiered Compliance Charge in order to recover the cost of regulating MSD's non-residential customers.					
There will be five tiers with different amounts of Compliance Charge which is dependent on the level of service required to regulate that category of customer.					
Shown below are the five different tiers with a description of the level of service and the proposed monthly Compliance Charge.					
Tier and Description of Service		7/1/2012	7/1/2013	7/1/2014	7/1/2015
Tier 1 - Grease control program but no inspections and no sample points		\$23.00	\$16.00	\$9.00	\$2.35
Tier 2 - Company compliance inspection but no sample points		\$40.25	\$42.60	\$44.05	\$45.35
Tier 3 - Company compliance inspection and one sample point		\$85.70	\$90.65	\$93.80	\$96.55
Tier 4 - Company compliance inspection and two sample points		\$125.65	\$132.95	\$137.50	\$141.55
Tier 5 - Company compliance inspection and more than two sample points		\$165.60	\$175.20	\$181.20	\$186.65
Most non-residential customers are in Tier 1. Shown below are about 1430 companies that are in Tier 2, Tier 3, Tier 4 or Tier 5. Some companies have more than one MSD account which are regulated and billed separately. If you are a non-residential customer and not shown on the list below, then you are in Tier 1.
