

Metropolitan St. Louis Sewer District Guest Wireless Network

10/5/17

Wireless connectivity to the Internet is provided as a courtesy to guests visiting the Metropolitan St. Louis Sewer District (MSD).

General connection instructions:

- On your personal device, locate the list of Wi-Fi networks your device can find.
- Select "MSD-Guest" from the list.
- You will be asked for a password / encryption key.
- MSD-Guest passwords are changed periodically.
- The current password is available at the front security desk at the 2350 Market Street location.
- Enter the password. (*no spaces, all lower case*)
- Press "Enter" or "Connect."
- The District's "Acceptable Use Procedure" will appear.
- You will need to press "Accept" in order to gain access to the Internet.
