METROPOLITAN ST. LOUIS SEWER DISTRICT  
CAPITAL IMPROVEMENT REPLACEMENT PROGRAM  

COMMUNITY BENEFITS AGREEMENT  

This Community Benefits Agreement ("CBA") dated as of the 4th day of December, 2013, is entered into by and between the Metropolitan St. Louis Sewer District ("MSD") and the signatory St. Louis area community groups and organizations ("Signatories"). This agreement shall be operative from the date of its full execution by the Parties through December 31, 2033. This agreement may be amended by agreement of the parties. If any party to this agreement is unable to agree upon any proposed amendment to this CBA then that party’s continued inclusion in this CBA shall be subject to termination pursuant to Section XI of this agreement. 

RECITALS  

A. MSD is a municipal corporation and political subdivision of the State of Missouri, established by Section 30 of Article VI of the Missouri Constitution. 

B. Pursuant to the Consent Decree entered on April 27, 2012, MSD will make massive improvements to its sewer system located throughout St. Louis City and County. This undertaking is known as MSD’s Capital Improvement Replacement Program ("CIRP"). 

C. MSD acknowledges its intent to collaborate with the Signatories to implement this CBA in order to insure the flow of economic and educational benefits derived from the CIRP to the St. Louis City and County communities. 

D. The Signatories acknowledge their intent to refrain from all litigation associated with or in any way related to the CIRP and to further refrain from any and all demonstrations or visible actions designed to advocate a position on a particular issue that may obstruct MSD business arising from or in any way related to the CIRP. 

E. The Signatories include the National Association for the Advancement of Colored People (NAACP), the Coalition of Black Trade Unionists (CBTU), Metropolitan Congregations United (MCU), the Construction Prep Center, the National Society of Black Engineers (NSBE), MOKAN, and the Metropolitan Clergy Coalition (MCC). 

F. MSD believes that an important goal of the CBA is to facilitate the return of unemployed or underemployed journeyman and apprentice minority and women workers in sewer related occupational titles (or occupations) to work on its projects. The district intends to structure its inclusion programs with this goal in mind. Any gap that remains in achieving established workforce goals would be the target of CBA training programs. 

G. The St. Louis Building and Construction Trades Council August 8, 2012 letter memorializes that the St. Louis Building and Construction Trades Council, the Carpenters’ District Council of Greater St. Louis and Vicinity and the Eastern Missouri Laborers’ District Council agree the best way to support the results of the MSD Disparity study will be to apply the percentage guidelines determined to be appropriate by the study on a trade by trade basis. If applied in this manner each skilled trade Union pledges to follow the percentage guidelines of the study when referring and/or recruiting minorities and women for MSD projects.
H. The MSD Executive Director is authorized to enter into this CBA by Ordinance No. 13734, adopted October 10, 2013.

PURPOSE

The purpose of this CBA for the MSD CIRP is to provide for a concerted and coordinated effort on the part of MSD and the Signatories, to maximize the economic and educational benefits of the project to the St. Louis City and St. Louis County communities.
